

56th Annual
Warton District Family Literacy Association
2008 Shore to Shore Road Race
Monday, August 4th 2008

Our annual Shore to Shore Road Race is a fun and fitness activity for all runners and walkers, with participants striving for their personal best time. Runners and walkers compete in overall and gender and age group categories. Refreshments and water stations will be provided, and each competitor will receive a token of participation.

Our goal is to help the fundraising committee fund our ongoing programs and continue to offer new programs for students of all ages. We hope that each participant in the Shore to Shore Road Race runs or waks to the best of their ability. We're hoping to make this years Shore to Shore Road Race the best ever, so the more contributions you raise; the more successful we'll be at achieving our goal. Thank you very much for your participation!
